ABOUT US

International Diesel Services LLC (IDS) is a leading provider of comprehensive diesel fuel injection solutions. With a strong presence in the UAE, we deliver excellence, reliability and cutting-edge technology. Our experienced team ensures optimal performance and efficiency, meeting the diverse needs of industries. We pride ourselves on customer satisfaction, offering personalised assistance and tailored solutions. Sourcing genuine parts from reputable manufacturers, we guarantee high-quality products. At IDS, we are committed to shaping the future of diesel engine optimization, contributing to sustainable growth. Visit our website to learn more www.idsdubai.ae

MISSION

At International Diesel Services LLC, our mission is to optimize diesel fuel injection systems, empowering efficiency, igniting performance, and delivering tangible benefits across industries.

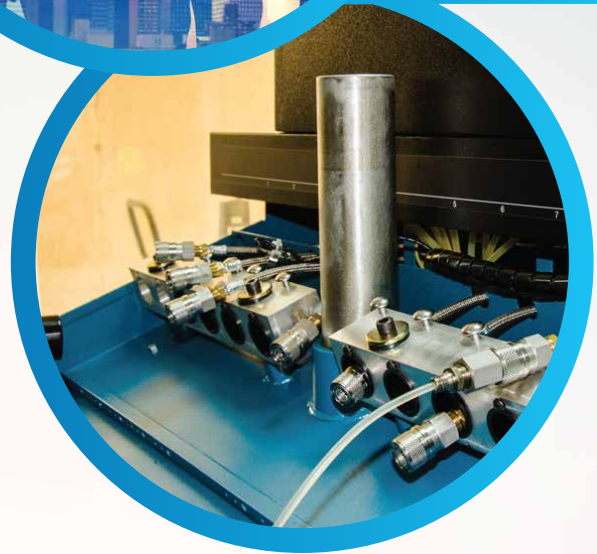

VISION

Our vision is to revolutionize industry operations by leading the way in optimized diesel fuel injection systems, leveraging technology and customer-centric solutions for greater efficiency, productivity and sustainability.

OUR TEAM

At International Diesel Services LLC (IDS), our team of highly skilled professionals is passionate about diesel fuel injection systems. With extensive experience and expertise, they deliver exceptional service and innovative solutions. Our diverse team of technicians, engineers, and industry experts stay up-to-date with the latest advancements to provide comprehensive services, including repairs, maintenance, and the supply of high-quality parts.

We prioritize a customer-centric approach, offering personalized assistance, technical support, and guidance to ensure complete satisfaction. Our team is the backbone of our success, driving our ability to deliver top-notch products and services. Their dedication, expertise, and commitment to excellence set us apart in the industry.

WHY CHOOSE US

OUR SERVICES

Experience a comprehensive suite of specialized services designed to cater to all diesel fuel injection system requirements.

Diesel Fuel Injection Sales & Services

At IDS, we specialize in high-quality sales and repair services for diesel injection pumps, injectors, and turbochargers. Our skilled technicians deliver reliable fuel system solutions.

Engine Parts for Cummins

Renowned for its wide range of Internal Combustion Diesel Engines, IDS proudly offers complex range of FP Cummins genuine engine parts.

Hartridge Test Benches & Tools

IDS offers state-of-the-art computer-controlled Hartridge test benches renowned for reducing inaccuracies. The test benches are effective in diagnosing diesel injector and pump problems, ensuring accurate analysis.

We are Solution Oriented

We are having a complete solution for common rail FIP & Injectors as per factory standards. (Delphi, Denso, Bosch)

Auto Electrical Sales & Services

Our expertise at IDS lies in diagnosing and repairing automotive electrical problems for vehicles ranging from diesel vehicles to heavy earth-moving equipment.

Turbocharger Sales & Services

We are providing repair of turbochargers and specialises in high speed turbocharger repair & service.

Repair Solutions

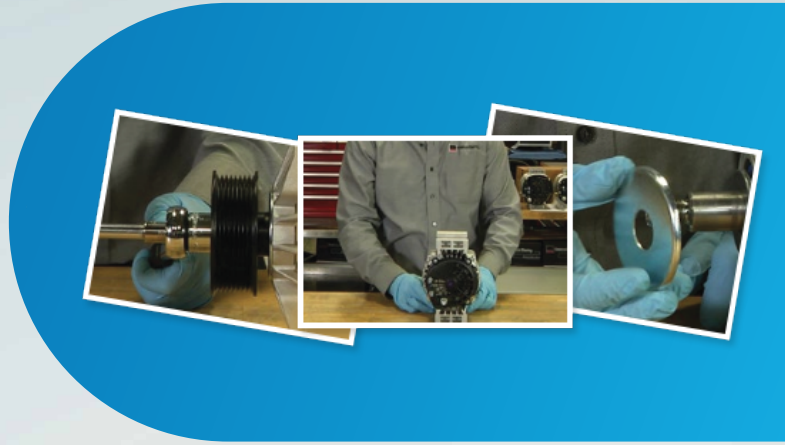

Repair solutions for Cummins PT pumps, STC injectors & Top-Stop. We have a specialisation for the above job works.

Heavy Duty Mechanical Starters & Alternators

We provide an extensive range of high-quality electro-mechanical starters and alternators for automotive, heavy-duty, and marine equipment.

OUR PRODUCTS

International Diesel Services LLC (IDS) takes great pride in offering a diverse selection of top-quality products, carefully sourced from renowned manufacturers. Through strategic collaborations with industry-leading companies, we ensure that our customers have access to the finest solutions for their diesel fuel injection system requirements. Discover the exceptional range of products we provide:

1. Diesel Fuel Pump & Injector Parts

- *Injectors; Electronic & Mechanic*
- *Nozzles*
- *Head & rotors*
- *Cam rings*
- *Driveshafts*
- *Camshafts*
- *Plungers*
- *Delivery valves*
- *Actuators*
- *Nozzle valve Kits Etc*

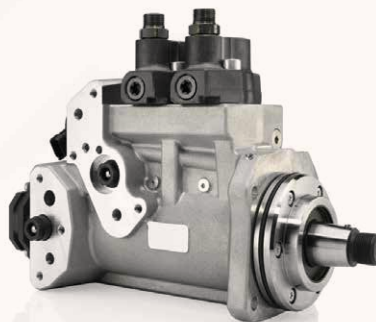

2. Diesel Fuel Injection pumps

- *Rotary Pumps*
- *Inline Pumps*
- *Common rail Pumps*

3. Auto Electric parts

- *Alternators*
- *Starter motors*

4. Test Benches & Specialized Tools
